

WAYNE STATE UNIVERSITY MATH CORPS SUMMER CAMP AND HIGH SCHOOL BRIDGE PROGRAM 2019

MIDDLE SCHOOL APPLICATION FOR CURRENT 6th- 8th GRADERS

The WSU Math Corps Summer Camp and High School Bridge Program is a six-week mathematics enrichment and mentoring program for students in grades 7 – 12, who live and/or attend public school in the cities of Detroit, Hamtramck, or Highland Park. The program, which this year will run from **July 8th – August 16th**, brings middle and high school students together with college students and mathematicians, to share in the teaching and learning of mathematics, in a university setting. The program is housed in two separate sites on Wayne State's campus.

The Summer Camp serves students who, in the fall, will be entering the 7th or 8th grade, while the High School Bridge Program serves students who will be entering the 9th grade. High school students entering the 10th, 11th, or 12th grade serve as paid Teaching Assistants (TA's) and Program Assistants (PA's).

The 7th, 8th, and 9th grade students receive instruction from University faculty and enjoy a variety of learning activities led by the college and high school students under the supervision of professional educators. The high school TA's and PA's serve as role models and "big brothers" or "big sisters" for the younger kids and engage in their own learning of both fundamental and advanced mathematics.

Students accepted into the program receive:

- a light breakfast daily
- lunch every Thursday
- school supplies
- a calculator (in their first year of the program)
- bus tickets, if needed
- a Math Corps t-shirt
- access to WSU facilities such as libraries and computer labs

Eligibility:

For a student to be eligible, he/she must be entering the 7th, 8th, 9th, 10th, 11th or 12th grade in Fall 2019 and must be

- a Detroit, Hamtramck, or Highland Park resident, currently enrolled in a public school (charter schools included) - anywhere in Michigan

OR

- currently enrolled in a public school (charter schools included) in the city of Detroit, Hamtramck, or Highland Park

Schedule:

Students in the program are expected to attend on time and fully all program days listed below:

Camp Dates: Monday – Thursday, July 8 - August 16

Camp Hours: 7th, 8th and 9th graders: 9:30 am – 2:30 pm
10th, 11th and 12th graders: 9:00 am – 3:15 pm

Student Registration and Orientation:

Students assigned to Site 1: Thursday, June 27th at 6:30 p.m

Students assigned to Site 2: Tuesday, June 25th at 6:30 p.m.

Optional Fridays:

Friday sessions, featuring special activities will be offered each week.
Weeks 1-5, 9:30 a.m. – 12:30 p.m.
Attendance on Fridays is optional.

Closing Ceremonies: Friday, August 16th at 6:30 pm

Tuition:

Tuition is free for all students thanks to the support of Wayne State University and the generous contributions of foundations, corporations and individuals.

How to Apply:

- 1) *Online application (preferred).* Complete the application at apply.mathcorps.org.
- 2) *Paper application.* Complete the attached application and mail it or drop it off at this address:
The WSU Math Corps
Department of Mathematics
Faculty/Administration Building, Room 1311
Wayne State University
Detroit, MI 48202.

Returning Math Corps students will receive priority consideration provided their application is received by 5:00 p.m. on **Friday, February 15th**.

Selected students will be notified by **Friday, April 19th**.

Information:

For additional information, please contact our office at 313-577-2609. Program information is also available on our website at www.mathcorps.org.

WAYNE STATE UNIVERSITY MATH CORPS

SUMMER CAMP AND HIGH SCHOOL BRIDGE PROGRAM 2019

POLICIES AND EXPECTATIONS

The WSU Math Corps stands on the belief that all children have a unique and special greatness within them, and that through hard work and the support of a caring family or community – that greatness can be realized.

In keeping with the Math Corps' determination to help each and every one of its students find his or her own greatness, we ask that the following policies and expectations be observed:

1. **All students are expected to attend the program every day, in accordance with the program schedule.** An absence caused by illness, family emergency, or other unforeseen and unavoidable event may be excused, if prompt notification of the circumstances is given to the Program Coordinator. The Program Coordinator has sole authority for deciding whether any absence should be excused or not. Family vacations, reunions, and other similar outings conflict with the program's goals, and so will not be seen as reasons to excuse an absence. **Any unexcused absence is grounds for dismissal.**
2. **All students are expected to be on time every day.** An incidence of lateness caused by an unforeseen and unavoidable event may be excused, if prompt notification of the circumstances is given to the Program Coordinator. The Program Coordinator has sole authority for deciding whether any lateness should be excused or not. **Any unexcused lateness is grounds for dismissal.**
3. **All homework assignments are expected to be completed and turned in on time. Failure to complete assignments as required is grounds for dismissal.**
4. **All participants are to treat each other with respect and courtesy and are to maintain proper behavior at all times, consistent with being part of a university program. Behavior that fails to meet the standards of the WSU Math Corps is grounds for dismissal.**
